

STORYBOARDS: An Introduction

A workshop for projects of all kinds - film, video, theatre, games, installations, interactive art. What are storyboards, why you should use them, how to use them, and some PDQ (pretty darn quick) methods of making your own.

FREE - EVERYONE WELCOME

About the instructor:

ISABELLA STEFANESCU is a visual and media artist based in Waterloo Region. She has created interactive art installations, films and animations.
